ABOUT US

About Little Wise Kids

HEADING:

Rooted in Curiosity, Rising in Confidence

COPY:

At Little Wise Kids, we believe every child is born wise: full of wonder, ready to explore and uniquely themselves. Our role is to nurture that natural brilliance through responsive, child-led learning in a loving, home-like environment.

We honour each child's individuality by offering meaningful experiences that meet them where they are developmentally, emotionally and culturally. Children aged 0–4 years are welcomed for now, with their wellbeing, confidence and curiosity guiding our practice.

Our Approach

HEADING:

Child-Led Learning With Purpose

COPY:

Children flourish when they feel seen, safe and supported. Our experienced educators thoughtfully create learning experiences around children's evolving interests, curiosities and developmental milestones.

We believe play is the work of childhood. Children are given time to explore, build, create, question and imagine without being rushed. From planting seeds outdoors to role-playing in our home corners, every experience is designed to support cognitive, emotional, physical and social development.

KEY POINTS:

- Child-led, play-based learning
- Calm and unhurried daily rhythms
- Indoor and outdoor learning opportunities
- Sensory, imaginative and creative exploration
- Support for confidence, focus and independence
- Strong relationships with children and families

Our Commitment

HEADING:

A True Home-from-Home

COPY:

At Little Wise Kids, we do things differently and intentionally. We offer a calm, screen-free sanctuary where childhood is honoured rather than hurried.

Our setting combines thoughtful early education with genuine warmth and care. Children benefit from enriching play, English and Portuguese exposure for now, nutritious food and a family-style environment that supports them to feel secure and capable.

Our Environment

HEADING:

Spaces Made for Wonder

COPY:

Our indoor and outdoor spaces are designed to feel like a natural extension of home. Children can discover cosy reading corners, imaginative play areas, sensory experiences and outdoor adventures in a calm, inviting and screen-free setting.

Every space is created to encourage exploration while helping children feel safe, comfortable and free to be themselves.

Our Learning Programmes

HEADING:

Learning That Grows With Your Child

COPY:

Learning at Little Wise Kids is a joyful journey led by children's interests. Our curriculum encourages children to explore, question and create in their own time, while educators provide gentle guidance and meaningful opportunities to extend learning.

Through play, language, sensory exploration, creativity and nature-based discovery, children develop foundations in communication, independence, empathy and critical thinking.

Our Educators

HEADING:

Caring People at the Heart of Our Nursery

COPY:

Our educators are the heart of Little Wise Kids. They do more than supervise: they listen, guide, encourage and inspire.

With a deep understanding of early years development and a genuine love for working with children, our team builds warm, respectful relationships with every child and family. Each day, they bring care, insight and intention to make learning meaningful and joyful.

Our Leadership Team

HEADING:

From Boardrooms to Building Blocks: A Journey of Purpose

COPY:

Hello, I'm Lukeba, the founder of Little Wise Kids and a passionate early years educator.

Before entering early childhood education, I spent more than a decade leading teams in corporate and academic settings, including health, safety, environment, public transport, food manufacturing, construction, housing safety management and higher education.

Supporting young adults through important transitions showed me the lasting impact of early emotional development and educational foundations. I saw how childhood experiences shape confidence, resilience and wellbeing far into adulthood. That understanding inspired me to retrain as an EYFS childminder and become part of building those foundations from the very beginning.

Today, I bring together strategic thinking, emotional intelligence and a deep respect for children's individuality. At Little Wise Kids, I blend structure with warmth, curiosity with care, and high expectations with a truly nurturing approach.

This is not just childcare. It is my calling, and I am honoured to support the first chapter of every child's learning journey.

MULTILINGUAL LEARNING

Our Learning Philosophy

HEADING:

Curiosity-Led. Emotionally Attuned. Rich in Meaning.

COPY:

At the heart of our curriculum is a simple belief: children learn best when they feel safe, seen and supported. We bring the seven areas of the Early Years Foundation Stage together through engaging, active and joyful experiences.

Our approach supports children to become independent thinkers and doers through play, exploration and real-world discovery.

CHILDREN ENJOY:

- Adult-facilitated, free-flow play
- Opportunities for experimentation, discovery and sensible risk-taking
- Colour, creativity and artistic expression
- Sensory and hands-on learning
- Nature-based experiences
- A balance of themed learning and children's individual interests

Every day can bring a new discovery: a word in Portuguese, an insect in the garden, a new way to solve a problem or a story that sparks a child's imagination.

English and Portuguese

HEADING:

Language Through Everyday Connection

COPY:

Little Wise Kids currently offers children exposure to English and Portuguese through everyday routines, songs, stories, play and warm interactions.

Language learning is woven naturally into the day rather than taught in a pressured way. Children are encouraged to listen, communicate and build confidence while celebrating cultural diversity and connection.

CMS note: English and Portuguese are the current languages offered. This may change and must be easy to update.

EYFS

HEADING:

Supporting Every Area of Development

COPY:

Our practice is aligned with the Early Years Foundation Stage, supporting children's development through meaningful play and responsive care.

We help children build confidence across communication and language, physical development, personal, social and emotional development, literacy, mathematics, understanding the world, and expressive arts and design.

We recognise that children develop in different ways and at different rates. Our educators observe carefully, follow children's interests and work closely with families to support each child's individual journey.

Screen-Free Learning

HEADING:

A Rare and Refreshing Childhood in a Noisy World

COPY:

In a fast-paced, digital-first world, screen exposure can feel almost unavoidable. At Little Wise Kids, we have made a conscious choice to offer a completely screen-free learning environment.

Instead of flashing screens and artificial stimulation, children are immersed in real-world experiences. They can feel the texture of soil, enjoy role-play, listen to stories, paint, build, move, explore outdoors and connect with people around them.

SCREEN-FREE LEARNING SUPPORTS:

- Deeper concentration and sustained attention
- Richer language development and face-to-face communication
- Creativity, physical activity and social interaction
- Emotional regulation and meaningful connections
- A childhood shaped by puddles, paints, puzzles and people rather than pixels

Closing copy: We believe the early years are sacred. Our screen-free nursery environment gives children space to imagine, create and connect with all their senses fully awake.

PARENTS' INFORMATION

Starting School

HEADING:

A Confident First Step

COPY:

Starting school is an exciting and sometimes emotional milestone. At Little Wise Kids, we help make the transition smooth, joyful and empowering for children and families.

Through a screen-free, child-led and play-rich approach, children build the emotional resilience, social skills, independence and curiosity they need for their next chapter.

WE SUPPORT CHILDREN THROUGH:

- Play-based experiences aligned with EYFS
- Early literacy, numeracy, communication and self-care opportunities
- Emotional wellbeing and confidence-building
- Cooperative play and friendships
- Language exposure in English and Portuguese for now
- Consistent, loving routines that help children feel secure

Fees and Funding

HEADING:

Supporting Families, Investing in Early Years

COPY:

We believe every child deserves access to nurturing, high-quality early years education and that families deserve clear, supportive information about childcare costs.

Little Wise Kids offers government-funded childcare places for eligible families. We are open year-round for 51 weeks of the year, helping children benefit from consistent routines, care and learning.

CMS note: Funding rules, entitlements and rates can change. This section must be reviewed regularly and made easy to update.

How Funding Works

HEADING:

Government-Funded Childcare

COPY:

The government provides childcare support for eligible families, depending on a child's age and a family's circumstances. Funding may cover some of your childcare costs, helping to make quality early years education more accessible.

Because Little Wise Kids operates year-round for 51 weeks, funded hours are spread across the year rather than only used during school terms.

CURRENT EXAMPLE CALCULATIONS:

- 15 funded hours per week during term time equates to approximately 11.18 hours per week across 51 weeks
- 30 funded hours per week during term time equates to approximately 22.35 hours per week across 51 weeks

Additional fees may apply for hours outside a family's funded entitlement. These support extended care, meals, nursery experiences and the high-quality early years provision offered by Little Wise Kids.

Funding Support

HEADING:

We Are Here to Help

COPY:

Funding can feel complicated, but you do not have to work it out alone. Our team is happy to help you understand the options available, explain what information may be needed and support you through the process.

Tax-Free Childcare

HEADING:

Additional Help With Childcare Costs

COPY:

Eligible families may also benefit from Tax-Free Childcare. For every £8 paid into a childcare account, the government adds £2, subject to the scheme rules and limits.

TAX-FREE CHILDCARE CAN OFTEN BE USED ALONGSIDE FUNDED CHILDCARE HOURS. FOR CURRENT DETAILS AND ELIGIBILITY, VISIT:

Weekly Fees and Funding

HEADING:

Weekly Costs and Funding Examples

COPY:

Your weekly childcare cost will depend on your child’s sessions, funding entitlement and any additional services or charges. We will always explain your estimated fees clearly before a place is confirmed.

CMS/developer note: Add an editable table here for current full-day and half-day rates, funded-hour deductions, additional charges and example weekly costs. Do not hard-code fee figures into the design, as they will need regular updating.

EDITABLE WEEKLY-FEE TABLE:

Childcare Subsidy Questions

HEADING:

Childcare Support: Your Questions Answered

COPY:

Understanding childcare support can feel confusing, especially when your family’s circumstances or eligibility change. We are here to help you understand the options available and signpost you to the right information.

SUGGESTED FAQS:

Can I use funded childcare at Little Wise Kids?

Yes, eligible families may be able to use government-funded childcare hours. Please contact us so we can explain how funding is applied across our 51-week year.

Can I use Tax-Free Childcare?

Yes, eligible families may be able to pay through the Government's Tax-Free Childcare scheme.

When does funding start?

Funding usually begins from the term after your child becomes eligible. Please check current eligibility and dates through the Government childcare website.

What will I need to provide?

Depending on your entitlement, we may ask for your eligibility code and supporting details before funding can be applied.

Can you help me apply?

We can explain the process and help you understand what to do next, although applications are completed through the Government childcare portal.

Partnership With Families

HEADING:

Working Together for Your Child

COPY:

Families are at the heart of Little Wise Kids. You know your child best, and we value the insight, trust and communication that help us provide consistent, responsive care.

We share meaningful updates, celebrate milestones and work together around routines, interests, wellbeing and development. By creating a strong bridge between home and nursery, we help each child feel secure, understood and ready to thrive.

Settling In

HEADING:

Where Transitions Are Gentle, Personal and Full of Heart

COPY:

Choosing an early years setting is one of the most personal decisions a family can make. At Little Wise Kids, we give settling in the time, care and attention it deserves.

We see settling in as a journey, not a single event. From your first visit onward, we work with you to understand your child's routines, personality, comforts, preferences and any particular worries or needs.

Partnership From the First Day

COPY:

You know your child best. We value your knowledge and work in partnership with you to make each transition feel familiar, reassuring and secure.

Our team supports children to build trusting relationships with their key person, other educators and their new environment.

Tailored Transition Strategies

COPY:

Every child settles in differently. We use flexible strategies that are agreed with families and shaped around the child's readiness.

THIS MAY INCLUDE:

- Short introductory sessions with a parent or carer present
- Gradually increasing session length
- Consistent staffing and key-person continuity

- Familiar comfort routines and transitional objects
- Language cues in English and Portuguese where helpful
- A calm, predictable rhythm to each day

Policies

HEADING:

Our Policies

COPY:

Our policies help us maintain a safe, respectful, transparent and nurturing environment for children and families.
